|  |       | The experiences of women pre and post fistula repair: a phenomenological study  | Dr Weston Khisa, University of Nairobi  |
| 12:50  | 14:00 | Lunch / poster competition  |   |
| <b>Session 3: Workshops</b><br>Venue: See below  |       |   |   |
| 14:00  | 15:30 | <p><b>A. Saving lives at birth: Innovations to prevent maternal death</b><br/>This workshop will present 10 recent innovations that aim to prevent maternal deaths. Participants will discuss what innovations work and why, how patents work, and how to apply for funding to take ideas forward (<b>Venue: Spencer Room</b>)</p> <p><b>B. Saving lives at birth: Innovations to prevent neonatal deaths</b><br/>This workshop will present innovations that aim to prevent newborn deaths. Participants will discuss what innovations work and why, how patents work, and how to apply for funding to take ideas forward (<b>Venue: Lindsay Room</b>)</p> <p><b>C. Saving lives at birth: Innovations to prevent stillbirth</b><br/>In this workshop we will discuss the global impact of stillbirth. We will discuss evidence based interventions that prevent stillbirth and reduce the psychological morbidity associated with the death of a baby. Participants will split into small groups to discuss which interventions could be implemented in their area, identify possible areas for further research and what the barriers and facilitators are likely to be (<b>Venue: Griffiths Room</b>)</p> <p><b>D. Saving lives through volunteering</b><br/>The aim of this workshop is to: provide an introduction to working in the humanitarian sector; showcase the work of UK-Med and to provide an introduction to the WHO EMT programme (<b>Venue: Cavendish Room</b>)</p> <p><b>E. Innovations in educational games</b><br/>The aim of this workshop is to inform participants on how to develop and evaluate educational games for maternal and newborn health. This will be a fun workshop, where you will have the opportunity to play several games. (<b>Venue: CP Scott Room</b>)</p> | <p>Prof Andrew Weeks, Professor of International Maternal Health and Director of the Sanyu Research Unit, University of Liverpool</p> <p>Ida Neuman, Programme Manager, Laerdal Global Health (for Prof Joy Lawn, MARCH Centre, LSHTM)</p> <p>Dr Tracey Mills, Lecturer in Midwifery and Dr Alex Heazell, Clinical Senior Lecturer in Obstetrics, University of Manchester</p> <p>UK-Med / Human and Conflict Response Institute, University of Manchester</p> <p>Prof Dame Tina Lavender, University of Manchester; and Dr Gaynor Maclean, International Consultant: Maternal and Newborn Health</p> |
| <b>Session 4: Closing Comments and Prof Antony Costello Keynote</b><br>Venue: Main Hall (Flowers Room) |       |   |   |
| 15:35  | 15:40 | Chair   | Prof Wendy Graham, Professor of Obstetric Epidemiology, London School of Hygiene and Tropical Medicine  |
